

**Secure Disposal Solutions:
Bio Medical Waste Bags
for Healthcare**

ABOUT US

At Super Plast, a top Plastic Bag Supplier in Dubai, we specialize in producing and exporting high-quality Oxo Biodegradable and Virgin Plastic Bags. Our focus is on quality and customization to meet diverse needs, offering a wide range of plastic bag solutions at competitive prices. With advanced technology and a commitment to corporate social responsibility, we bring extensive industry experience to serve our valued customers

Bio Medical Waste Disposal Bags

Bio Medical Waste Disposal Bags are designed for collecting high-risk organic waste like blood, organs, and infected items in hospitals. Made from eco-friendly, biodegradable material, they ensure safe and environmentally conscious disposal before transferring to approved containers.
